

PUM Netherlands Senior Experts takes great pleasure in presenting this certificate to Proinas and Provinas, Bucaramanga, Colombia, in recognition of a successful mission of the PUM Senior Expert Peter Legierse from July 9 – July 22, 2016.

During this mission the expert has audited the companies Proinas and Provinas on their products and production processes. During the mission also a SWOT-analysis was executed and discussed.

The results are written down in the PUM-report dated July 31, 2016. This report was delivered and discussed with the management of Proinas and Provinas.
